

# A lease built around your business

## Why small to medium businesses choose leasing

### Built Around Your Business

Every lease is structured around your usage, cash flow and growth plans.

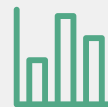

### Flexibility Across Vehicle Types

Passenger, commercial, hybrid and EV options to suit your operations.

### Protect Your Cash Flow

No large upfront outlay – keep capital working in your business.

### Simple, Predictable Monthly Costs

Fixed term and kilometre structure means easier budgeting.

### No Resale Hassle

Return the vehicle at lease end – no trade-ins or market risk.

### Upgrade as You Grow

Refresh vehicles as your business evolves.

### Reduced Admin

One agreement. One supplier. Clear structure.

### Compliance & Reporting Support

Built-in reporting tools that save you time.

# Ways to structure your lease options
